THE **CRESTLINER** ADVANTAGE

FORGED WITH STRENGTH. DEFINED BY DURABILITY.

Take a look at the new Crestliner Rally pontoon series and one thing becomes very clear: it isn't like other pontoons. The Rally is purpose built, with an unwavering commitment to perfecting every detail using top-of-the-line materials and advanced construction methods.

It all starts with the Rally's solid foundation. First, high-grade sheets of aluminum are rolled into the durable pontoon tubes. Torsion control riser brackets and a crossmember system are welded to the tubes, giving the pontoon its structure and supporting the weight of the deck up. All that work underneath makes for an even better experience atop the Rally. Durable, handcrafted furniture delivers maximum comfort while premium audio and unique amenities round out the Rally experience.

1 REINFORCED PONTOON TUBES

The Rally's 25" and 27" tube chambers overlap and are locked together with a fully welded seam, creating a rock solid bond. Baffles are welded into each chamber for added strength and a tighter seal. In the event of puncture, the sealed chambers keep the pontoon afloat.

2 TORSION CONTROL RISER BRACKETS

The unique concave design of the Rally's torsion control riser brackets absorb the impact of waves and rough water while reducing stress on tubes and deck, ensuring a durable connection point.

3 OPTIMIZED CROSSMEMBERS

The crossmembers are optimally spaced on the torsion control riser brackets to provide calculated support on weight-bearing loads where it's needed. Butyl rubber tape is applied on top of every crossmember creating a cushion and acting as an insulator from waves or rough water.

MARINE-GRADE DECK

The marine-grade deck is secured to crossmembers using Tek® screws. Unlike bolts that can stretch and loosen over time, Tek® screws create a solid and secure deck. Urethane sealant is used on wood seams to prevent water penetration.

RUB RAIL SYSTEM

The crossmembers extend near the rub rail providing additional support in case of impact. The rub rail system will take the abuse of impact helping protect the structural integrity of the deck.

PREMIUM FURNITURE

Durable, rotomolded bases include integrated under-seat storage with drainage channels, while handcrafted furniture delivers maximum comfort in two ways: standard (Rally) and pillow top (Rally DX).

BACKED BY OUR LIFETIME +5 WARRANTY

Receive a Lifetime +5 warranty on pontoon tubes, crossmembers, decking, motor mount and fence rails. Plus, a 5-year bow-to-stern warranty on virtually everything else. It only gets better from there: Crestliner's warranty transfers to future owners.

THREE TUBES TO UPGRADE YOUR PERFORMANCE.

SPORT PACKAGE

With this tritoon package you'll get increased horsepower, stability, lifting strakes that get you up on plane quickly and impressive maneuverability.

The 25-inch center tube is paired with hydrodynamic motor pod. The sleek, long structure creates better water flow and less drag for superior performance.

OTHER FEATURES INCLUDE:

- Reinforced Nose Cone for Rough Water
- Full-length Keels
- Full-length Lifting Strakes
- Partial Aluminum Underdeck Skin

V3 ACTION PACKAGE

The V3 Action Package is perfect for more speed and water sport activities. This tritoon package delivers more horsepower, increased fuel capacity, greater control in rough water, an overall smooth ride and automotive style performance.

The full-length center tube features an inline motor pod that adds strength and buoyancy, allowing for more horsepower and passenger capacity. The center tube sits lower in the water creating a V-shape that delivers responsive cornering and maneuverability.

OTHER FEATURES INCLUDE:

- Reinforced Nose Cone for Rough Water
- Full-length Keels
- Full-length Lifting Strakes
- Full Aluminum Underdeck Skin
- GPS-Driven Speedometer
- 37-Gallon Fuel Tank

Available with 25" or 27" diameter pontoon tubes

Rally

THERE'S MORE THAN ONE WAY TO RALLY.

The Rally is constructed by over seven decades of boat-building expertise, making it one of the finest pontoons on the water. One look, and it isn't hard to see why. The Rally comes with a wide variety of standard features that are all backed by Crestliner's legendary durability. If you want to upgrade your time on the water, consider the Rally DX. This deluxe version is everything the Rally is and then some. With even more standard features, as well as higher end trim levels and style accents, the Rally DX is pontoon perfection.
